

**DSD 250 (619250000) Bench Grinder**  
**(380-415 V / 50 - 60 Hz); Cardboard box**

Order no. 619250000  
EAN 4007430193223

Product may differ from Image

- Particularly powerful machine for high requirements
- Low-noise and low-vibration, maintenance-free induction motor
- Powerful rotary current motor with high torque
- Robust die-cast aluminium protective covers
- Protective cover bayonet lock for quick and simple wheel change
- Dust-protected emergency stop switch
- Restart protection: prevents unintentional start-up after power supply interruption
- Workpiece support adjustable without tools
- Large spark protection guards for eye protection
- Vibration-dampening rubber feet for safe support

**Technical data****Characteristics**

|                                        |                                     |
|----------------------------------------|-------------------------------------|
| Grinding wheels (Ø x thickness x bore) | 250 x 40 x 51 mm / 10 x 1 1/2 x 2 " |
| No-load speed                          | 1490 rpm                            |
| Rated input power                      | 650 W                               |
| Output power                           | 490 W                               |
| Breakdown torque                       | 10 Nm / 88.5 in-lbs                 |
| Extraction nozzle, inner Ø:            | 35 mm / 1 3/8 "                     |
| Weight                                 | 33.8 kg / 74.5 lbs                  |
| Cable length                           | 2 m / 7 ft                          |

**Scope of delivery**

Regular aluminium oxide grinding discs 36 P and 60 N  
Hexagonal wrench  
Spark protection glasses  
Work piece support
